Development of non-conventional sources of Energy

1378. SHRI SURESH PACHOURI: Will the Minister of ENERGY be pleased to state:

(a) whether the Department of non-conventional sources of energy has selected villages in the States to be developed as 'Urja Grams';

(b) the criteria of selecting villages to be developed as 'Urja Grams';

(c) the progress made so far in this regard; and

(d) the number of villages selected in Madhya Pradesh for the purpose?

THE MINISTER OF ENERGY (SHRI VASANT SATHE): (a) Yes, Sir.

(b) The villages/hamlets chosen for an urjagram should generally be unelectrified with about 100-200 households whose energy requirements for basic and developmental needs could be fully met by harnessing locally available energy sources such as solar, wind, biomass, etc.

(c) Urjagram projects have so far been completed in 37 villages in 9 States/UTs. Projects in 33 villages are under implementation.

(d) 2 projects have been completed in Madhya Pradesh; 4 more are under implementation; more villages have been identified where such projects are to be undertaken.

DESU losses due to faulty equipments

1379. SHRI K. VASUDEVA PANICKER: Will the Minister of ENERGY be pleased to state:

(a) whether Government's attention has been drawn to a news item which appeared in the 'Hindustan Times' dated the 15th

December, 1986 captioned "Rs. 30 cr. DESU loss due to faulty equipment";

(b) whether Government have made any inquiry in this regard and fixed responsibility; if so, what are the details thereof; and

(c) what steps Government are taking to cut the losses?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) to (c) The information is being collected and will be laid on the Table of the House.
